Cruise 2011 - What to Expect

INSIGHT THROUGH NETWORKING

Meet other investors from all over the country to learn from the best.

EXPAND YOUR KNOWLEDGE

Learn about other markets from National Speakers and Regional Experts who deliver **MUST-HAVE** industry education.

RAMP UP YOUR SUCCESS!

Plenty of one on one face time with AORE industry experts. The gems that are picked up during these personal interactions will absolutely super charge your business into success!

Experience

EXPERIENCE seven days of fun in the sun with over 50 fellow investors from across the country as we cruise the Eastern Caribbean on Carnival's Newest Ship the "DREAM". This annual cruise has been nicknamed "A Vacation with an Education" for good reason. We will spend our three (3) days at sea learning the secrets of successful real estate investing from seasoned investors working in the trenches on their businesses every day! In addition, each day we hold informal Break Out Sessions led by one of our industry experts from around the country. AORE's Cruise Environment provides a unique opportunity to talk with speakers before and after their sessions. This personal time with seasoned industry experts is priceless.

When sessions are over, meet with friends in one of the ships clubs, enjoy Las Vegas style shows, try your luck in the casino, participate in a piano bar sing along, try your voice at karaoke or dance the night away.
